RE: 'Be The Difference' Programme with Wakefield Trinity

Dear Parent/Guardian

This Easter, your young person has the opportunity to take part in Wakefield Trinity's new '*Be The Difference*' programme. A free experience specifically designed for young people aged between 11 and 15 years old, in and around Wakefield.

Led by qualified instructors, your young person will participate in group-based activities that promote understanding of social action and the difference they can make within their communities.

To put this knowledge into practical application, the five-day programme (10am – 4pm) will incorporate a combination of delivering a hands-on social action project with a local community partner as well as fundraising for their community partner. This fundraising will be participant led in its content, promoting teamwork and communication skill development. In addition, the opportunity to volunteer will support the underlying objective to raise young people's confidence and self-esteem.

Social action is about supporting a young person to think outside of their comfort zone and complete tasks which support their own learning whilst impacting the lives of others. To highlight the young person's achievements an award ceremony, which all parents/guardians will be invited to, will take place at the end of their activity.

Running in the Easter Holidays at the Wakefield Trinity Mobile Rocket Stadium, *Be The Difference* is the perfect opportunity for participants to meet like-minded young people in a safe and Covid-secure environment; whilst picking up a load of new skills on the way. The programme is **free** to all participants and places are allocated on a first come first served basis.

For more information and/or register your young person's space on the programme, please head to www.wakefieldtrinityfoundation.co.uk/be-the-difference/. Alternatively, you can speak to one of our team on 07727 156 650.

Yours Sincerely,

Kate Hansell | Be The Difference Manager
